

NURSERY

THE FUTURE OF HAND WASHING IS TOUCH FREE

When people need to get their hands clean, the last thing they need is to touch a dirty dispenser.

With the new GOJO TFX System, there is nothing to touch. Just place your hands below and a single dose is automatically dispensed.

NITRILE & VINYL GLOVES

We have thousands of cases of disposable gloves for you to choose from. Ranging from traditional latex to synthetic materials such as nitrile and vinyl.

Our gloves are available in a wide range of qualities, colours and sizes. As comfort is important, we suggest you contact us first to try them before ordering. Contact us on **0117 9461960** or email sales@hygienewarehouse.co.uk, so that one of our friendly Customer Service Representatives can arrange free samples to be sent to you.

Latex glove prices have increased significantly in recent months and therefore we would suggest the following synthetic gloves as a cost effective alternative.

Ultrathin Nitrile

(powder free)
Available in white and violet.
Our PRO Ultrathin Nitrile gloves offer comfort comparable to latex gloves, without the risk of latex allergy issues.

010 - 014 White

10 x 100 per case

020 - 024 Violet

10 x 100 per case

Stretch Vinyl

Stretch Vinyl offers improved fit and comfort, over standard clear vinyl. Powder free.

080 - 082

10 x 100 per case

Clear Vinyl Gloves

Cheaper than latex and looser fitting. The Clear Vinyl glove is our most economical, synthetic fitted glove.

109-112

Powdered Vinyl Gloves

10 x 100 per case

070-073

Powder-Free Vinyl Gloves

10 x 100 per case
